ESTATE DONATIONS POLICY

All designated (restricted) donated funds will be used for the sole purpose for which it was earmarked for by the donating family as soon as appropriately feasible, unless otherwise stipulated within the will of the deceased and/or original terms of the donation.

All undesignated estate funds are to be placed in an internally restricted reserve for the purpose of funding significant capital projects. In order for funds to be withdrawn, the executive director will create a proposal and relevant business case to be presented to the board. Pending board approval, the funds will be released for the design, necessary permitting, and construction of the project. Under no circumstances are the internally restricted estate donations to be used for general operating costs.

Until such a time that the internally restricted estate funds are used they are to held in a separate interest yielding bond account of limited risk exposure. Under no conditions are funds to be used to invest in stocks, shares, EFT's, or any other financial investment that contains inherent financial risk. All interest accrued will remain within the internally restricted estate fund.

FROM THE REHOBOTH BOARD

BOARD PRESIDENT MESSAGE: HELP KEEP OUR MINISTRY FLOURISHING

Greetings to all of you as the caring and supporting members of the Rehoboth community!

Kevin's article where he provides us a bit of insight into his background and experience.

As I explained in the spring newsletter, we have now said farewell to our Executive Director of the last twelve years, Ron Bos, whose care and diligence has left an indelible mark on this ministry. This is a big change for the organization, but we move forward in confidence knowing as front-line and senior staff, senior leadership and board, and the many volunteers and supporters, that we share a deep commitment to a common vision of caring for those God has entrusted to our care. Thanks for everything that you have given, Ron, and blessings for a happy and healthy retirement!

Fall, as we know, is a season of thanksgiving. As you take time to thank the LORD for His many blessings in your life, please also pray for Rehoboth and the provision of the resources needed through government funding and private donations to keep the ministry thriving and growing. The *Friends of Rehoboth Campaign* provides an excellent avenue for you to support this work as God has made possible. While we all see the effects of increased cost of living, RCM faces similar challenges on many fronts. The private donations we receive will always be a big part of what makes this work possible. Please look for the online and hard copy forms available or connect with the RCM liaison in your local church for more information.

At the same time we have been blessed with the arrival of our new ED, Kevin Martens, who has been busy integrating into all aspects of Rehoboth ministry and operations. We welcome Kevin and pray for him and all of our staff who work alongside him every day making a difference in the lives of our client community. Look for

Have a blessed Thanksgiving season!

*On behalf of the Board,
Rob Duker, Board President*

FROM THE EXECUTIVE DIRECTOR

WELCOMING KEVIN MARTENS TO THE REHOBOTH TEAM

Dear Friends and supporters of
Rehoboth,

My name is Kevin Martens, and I'm
deeply honoured to step into the
role of Executive Director for this
incredible ministry. My wife and I are
excited about this new chapter in our
lives. We have four adult children and
one grandchild and are in the midst
of planning our relocation to the
Edmonton/Stony Plain area.

With over 20 years of combined
experience in executive leadership
within the not-for-profit sector—
supporting individuals with intellectual

disabilities—and in church pastoral
ministry, I'm truly grateful for the
opportunity to bring these callings
together in this role.

These first few weeks have been a
joy! I've had the pleasure of meeting
many of the remarkable individuals we
support, along with members of our
Board, our dedicated staff, and some of
our amazing volunteers and generous
supporters. Thank you for the warm
welcome.

This ministry has a rich and faithful
legacy, and I'm excited to work together
to build upon that strong foundation.

As I begin this journey, I continue to
seek the Lord's wisdom and guidance for
the path ahead. I invite you to join me in
prayer as we discern together how best
to reflect His love and grace through the
work He has entrusted to us.

Warmly,
Kevin Martens, Executive Director

A NEW CHAPTER IN A NEW SPACE

Rehoboth Calgary is now fully settled
into its new building — a bright,
welcoming space that has already
brought renewed energy and joy to
the community. The right environment
has proven to lift spirits, encourage
connection, and open doors to
new opportunities. The individuals
supported by Rehoboth have embraced
the change with enthusiasm, and
it has been a blessing to witness
their renewed sense of purpose and
belonging.

In November 2024, Rehoboth informed
the individuals it supports that their
community access program would
be relocating, along with the Calgary
administration staff and office space. This
transition required a temporary pause in
routines, with some individuals running
their day programs from home for a
couple of months. The flexibility of staff
during this time was deeply appreciated,
and although it was not an easy season,
God's faithfulness and the resilience of
those served were evident throughout.

At its heart, Rehoboth holds firm to
the belief that every person is created
in the image of God, with unique gifts
to share and a place in community.
The new Calgary office stands as a
testimony to His provision, and the
organization looks forward with
gratitude and anticipation to all that
will unfold in and through this new
space.

A PLACE TO FLOURISH: CAMP REHOBOTH 2025

From June 16–20, six amazing individuals and four dedicated staff from Grande Prairie journeyed to Rehoboth Camp for Flourish Week at Gull Lake. With bags packed and hearts full of excitement, we hit the road, ready for a week of fun, faith, and friendship.

The moment we arrived, the campground was alive with energy. Laughter echoed through the trees as campers from across the province that came together. Friendships sparked instantly, and smiles were everywhere.

On the second day, our group lit up the chapel with a skit about Moses and Aaron — complete with costumes and big-hearted performances. Their joy was contagious, earning cheers and applause from the crowd.

Each day brought something new: outdoor games, singing and worship, cozy campfires, delicious food, and treats like ice cream and chips. But the real magic was in the moments of connection. Surrounded by love and acceptance, our individuals shone with confidence. They felt seen, valued, and celebrated.

The final night ended with a joyful dance and an awards ceremony where every individual was recognized for their unique gifts.

As we packed to leave, we carried more than just our belongings — we carried memories of a place where everyone truly belonged.

“How good and pleasant it is when God’s people live together in unity!”

Psalm 133:1

SHAPING BELONGING: CENTRAL REGION'S COMMUNITY OF CARE

Central Region's community strengthens our overall support of individuals. Friends and neighbours step up, not just to volunteer, but to live out shared values of compassion, dignity, and inclusion in practical, everyday ways.

The Three Hills Fundraising Committee has long supported the Central Region, with many volunteers contributing over the years, each bringing ideas and practical know-how. From BBQs to Galas, their efforts directly benefit individuals in Rehoboth's Central Region. Funds raised have gone toward everything from couches and puzzles to craft supplies and events—items that enrich daily life while making room for everyone. Mary Glenn has volunteered on the committee for 24 years. Her long-standing involvement demonstrates both her steady support behind the scenes and her enduring dedication to Rehoboth's clients.

Central's social enterprise, the New-to-You store, is completely run by dedicated volunteers. For over a decade, Bobbie and Wendy's leadership has helped sustain a thriving, community-rooted store that remains accessible and affordable, while creating meaningful opportunities for Rehoboth individuals to build work skills and contribute to daily operations.

More than 40 volunteers help make Central Region a welcoming space where everyone can experience connection and camaraderie. Whether contributing at the store, supporting a fundraiser, or offering a helping hand, the everyday actions of our volunteers continue to reflect Rehoboth's mission.

Thank you, for every hour, every effort—together we've shaped a community of belonging.

Bobbie & Wendy

CASA ART PROGRAM

CASA Lethbridge is an interdisciplinary arts center that provides services for a diverse group of people. Our individuals are fortunate to have access to their Accessibility Modified Art Program for Adults classes. These classes are small, inclusive, and allow for service workers to assist their individuals. Projects are created with their skills in mind and they are free to express and explore any creative

ideas they have. Our individuals have explored watercolors, acrylics, printmaking, zines, collages, transfers, paper mâché, and weaving. Each class they discover something new and exciting to try. And every class is a great opportunity for them to engage with their instructor and other individuals from agencies across the city.

"It gets me out meeting people and trying new things."
BO

"I like going out and being active and doing things and being with people."
RC

"I go to CASA for the fun. It brings back memories of school. It keeps me occupied and more involved in the community."

... TO CLIENTS

A FRESH NEW LOOK

The Edmonton Admin team recently came together to breathe new life into the front flower bed, which had long been overrun by weeds and a few struggling shrubs. With a shared vision and some wonderful community support, a beautiful transformation took place.

Thanks to a generous donation from Sunstar Nurseries, the team received a bounty of perennials to fill the space with vibrant color and life. Additional contributions from team members—including donated items, repurposed supplies from home, and even a few old Walmart gift cards—helped secure fresh soil, diatomaceous earth, and a brand-new garden hose.

One sunny morning, the team rolled up their sleeves, planted with care, and brought the garden to life. Now, a bright and welcoming flower bed greets everyone who arrives, a testament to teamwork, resourcefulness, and the beauty of God’s creation. The team is excited to maintain the garden together and enjoy its peaceful presence every day at work!

BETHANY HOUSE SHINES AT PROVINCIAL SPECIAL OLYMPICS

It’s more than just a medal; it’s a symbol of hard work, dedication, and the overcoming of personal challenges. Winning a Special Olympics medal is a deeply meaningful experience; athletes often describe feeling a sense of belonging, increased confidence, and a strong connection to their teammates and coaches.

This July, three individuals from Rehoboth’s Calgary Region traveled to Grande Prairie to compete against athletes from across the province in the spirit of inclusion, sportsmanship, and achievement.

Congratulations to these incredible athletes for their outstanding performances and for representing Rehoboth with excellence and pride.

REHOBOTH SPOTLIGHT

35 YEARS & STILL GOING

Rebecca started with Rehoboth in October of 1989, and shortly after was affectionately re-named “Becca” by two individuals, which has stood the test of time as she goes by this name today.

First as a casual worker at Brightbank and Mallard Park, Becca assisted in the startup and facilitating of the in-home day program at Mallard Park. After

working full-time in a one-to-one capacity for a number of years, Becca went back to casual while she started her own family and raised two beautiful children, one of which also worked for Rehoboth while becoming a licensed paramedic. While in a casual capacity, Becca worked within every program in Stony Plain - everyone knew her and gleefully greeted her when she arrived on shift.

In 2011, Becca resumed full-time work at the Vocational (day) Program, serving individuals through Community Access, Employment Preparation, Employment Services, and even at Bridgespan Cafe & Grill. The growth and success of the individuals Rehoboth supports is largely attributed to our staff. Long serving staff, like Becca, ensure not only consistency within routines but that each individual is truly known by those who walk beside them. Rehoboth is blessed to have such employees.

REHOBOTH EVENTS

STAMPEDE BREAKFAST

It's more than the aroma of pancakes, sausages, and freshly brewed coffee that fills the morning air; it's the excitement and celebration that creates an atmosphere that is both vibrant and welcoming.

From the moment staff, individuals, and families arrived, the energy was contagious! All were happy, excited, and lively. The food was a delight and

devoured without a trace. As one of our clients enthusiastically shared, "The pancakes were good!" The heartfelt conversations made the event truly memorable.

The highlight of the event? A heartwarming presentation by our clients to the tune of "God is good all the time". They brought joy to everyone as they sang and worshiped

with beaming eyes and enthusiasm. We weren't just entertained. We were blessed to see our clients flourish and prosper.

Yahoo & Yeehaw! Here's to more Stampede breakfasts, more community connections, and more opportunities to create a bigger impact on all those we serve. We're already looking forward to next year!

MOTHER'S DAY SALE & PORK ROAST

Once again, our Mother's Day BBQ, Greenhouse Sale, and Pork Roast were a great success! Our community came out in full force, eager to shake off the winter blues and welcome spring by purchasing plants from the greenhouse. The support continued with everyone enjoying the delicious burgers prepared by our amazing auxiliary at the BBQ with a vast array of sides at the annual pig roast. We are forever grateful for the support we receive from our wonderful auxiliary and community!

HOEDOWN

Another successful evening at our favourite hitching post! Bridgespan Cafe & Grill provided a delicious supper before The Mad Jacks had everyone two-stepping on the dance floor. Guests were also able to bid on a VIP table and take a chance with Chicken Poop Bingo - with one lucky cowboy claiming the prize. We thank everyone who moseied on down for our annual Hoedown in support of our Stony Plain Vocational Program, raising over \$9,000. Save the date, next year's Hoedown is June 12, 2026.

SHOW & SHINE

More than 45 cars rolled in for our annual Show & Shine on July 26, shining to perfection! The community showed up to admire and vote for their favourites while also enjoying the kids zone and petting zoo, BBQ, music, and a silent auction. Funds raised this year were in support of a new, accessible vehicle for the Stony Plain Vocational Program. Thank you to all who came out to enjoy the day! Show & Shine 2026 is set for July 25.

Rehoboth Camp Ministry

Fun & Fellowship For People Of All Abilities!

Summer Blessings

Another summer comes to an end, and here at Camp it's been exciting, busy, and fun as always. This summer, we served over 90 campers from around the province throughout five different camp weeks. Campers enjoyed a variety of activities, one of the favourites was visiting the Ellis Bird Farm, learning about birds, conservation, and enjoying God's creations.

Across these five weeks, we were blessed to have over 130 volunteers as Counsellors, Cooks, Directors, Nurses, Night Watch, Techies, and Bible Leaders. We were honoured to celebrate years of service for a number of our volunteers, ranging from 5 years all the way up to 30 years!

This summer also brought a number of changes and

updates to camp: a kitchen renovation that created more functional space, a new activities shed and Tuck Shop, as well as the addition of a quad and a new truck to aid in projects and maintenance of camp.

As we shared last fall, Camp also welcomed a new Coordinator, Sakhile, who came to Rehoboth with a passion to serve the community. Saki's energy and enthusiasm was evident to both campers and volunteers as he worked through his first summer at camp. With new ideas on facility improvements, volunteer recruitment and retention, we look forward to seeing Saki grow in his role.

As always, we thank God for Camp and the many blessings that he has given us to provide a safe place where all his special children can flourish.

Saki Matsenjwa
Camp Coordinator

FLOURISH WEEK

More than 120 clients and staff came together during Flourish Week to connect and relax. The week may have started with a thunderstorm or two but finished off with sun and heat. The group was blessed to enjoy a variety of outdoor activities throughout the day as the storms held off until the sun went down. Swimming, bingo, friends, great food, Tuck shop, and awards were once again the favourites of the week. For many campers (and staff) the highlight was streaming the Oilers playoff game; although it wasn't the desired outcome, everyone enjoyed cheering them on even while on vacation!

DID YOU KNOW?

Last fall, the kitchen at Camp was renovated to make it a functional space both for camp and commercial rentals.

JOYFUL NOISE CHOIR

Choir members are using chalk and black paper to picture the glory of the Lord in the night skies at this year's Open House.

I WILL SING TO THE LORD *(Psalm 104:33)*

As each new season approaches, the children of the Joyful Noise Choir are given a theme to use when thinking about their work with Rehoboth. This year's theme is based on Psalm 104 verse 33 - "I will sing to the Lord all my life." We know from research that music learned when young can form memories that stay with us for life. The choir is challenged to learn and introduce congregations to new worship music but also be able to sing along with the older hymns and songs that seniors may remember and treasure.

FOR EVERYONE A PLACE AND A PLACE FOR EVERYTHING

With three modern cabins providing space for campers and volunteers, the focus at camp turned to the problem of storing equipment and games. On learning of the need, the members of the Joyful Noise, along with another generous family foundation, focused fund raising efforts for a new equipment shed next to the Tuck Shop.

The advantage for camp staff and organizers is that equipment can be easily identified and returned when games or activities are completed; ensuring equipment lasts longer and doesn't get lost. Our thanks to the contributors to this project and to those who built the shed.
